

Service Reflection

Name: _____

Date of Service: _____ Place: _____

Community service is a good way to grow in faith as we live as Christians. The earliest church gave all they had to one another. As we read in Acts 4:32, "Now the whole group of those who believed were of one heart and soul, and no one claimed ownership of any possessions, but everything they owned was held in common." What if we gave all we had, not just possessions but talent and time to each other? After volunteering it is good to take a moment to reflect on your service and how have you given of yourself.

Use these questions to reflect and look deeper then type or write your brief response:

- Please provide some details, who did you serve and how did you help?
- Reflect on your experience. What did you learn? How did it make you feel? Did you find God in this experience?
- Look to the future, would you do this service again? Did you use your talents?
- Is there anything else you would like to share about this experience?
